Good buy on a building lot on the hole 5 tee at the Rock at Jocassee Golf course. This lot will have great views after some tree clearing. It slopes down toward hole 5, and has a good homesite at the top for maximum views, and another at the bottom overlooking the golf course. This is one of the better lots that have become available recently. Easy access to Hwy 11, Table Rock State Park with all its hiking trails, and within 20 minutes of Lakes Keowee and Jocassee.
